MEET THE NEW STAFF MEMBERS

We are excited to share the growth of our staff at The Chicago Rose, which is a direct response to your insights from our recent Membership Survey. These new positions are aimed at enhancing the experience for all community members.

Introducing the team:

- ✦ **Venus** is taking charge of **Volunteer Coordination**, organizing our volunteer efforts, and helping events run seamlessly.
- ✦ **Nellie** is dedicated to ensuring our Volunteers are prepared and supported with thorough **Training and Continuing Education**.
- ✦ **Goddess Myeongju** joins us as **Events Chair**, overseeing the planning and execution of our events to make them even more remarkable.
- ✦ **Joseph** and **Penn** are stepping into the roles of **Assistant General Manager**.
- ✦ Lastly, **Juniper** will handle the technical aspects as our **Hardware Chair**, ensuring everything behind the scenes operates smoothly and safely.

This expansion marks a significant advancement, and we're eager to see its positive effect on our community. Be sure to greet the team when you see them around the club!

TOWNHALL & SURVEY UPDATE

We will share more results at our townhall meeting on [DATE TO BE DETERMINED], but we wanted to thank you for completing our survey. It's important to show you how we're already listening:

- Kink technique classes are a favorite, and we'll be expanding them soon.
- First Fridays have been stressful for some, and we're working on ways to make the event more inclusive and enjoyable.

Your feedback is shaping the future of The Chicago Rose. Stay tuned for more updates!
