

The Chicago Rose

Thank you for your interest in volunteering and/or attending one of our open house events. The following slides are designed to ensure your competency surrounding the nature of our organization and provide a review of general guidelines of behavior and decorum within our space.

Consent Counts

WITHOUT CONSENT, SEXUAL ACTIVITY INCLUDING ORAL SEX, GENITAL TOUCHING AND VAGINAL OR ANAL PENETRATION IS SEXUAL ASSAULT OR RAPE

Here are the basics of consent...

CONSENT IS:

FREELY GIVEN- Consenting is a choice you make without pressure, manipulation, or under the influence of drugs or alcohol.

REVERSIBLE- Anyone can change their mind about what they like doing, anytime, even if you've done it before and even if you are both naked in bed.

INFORMED- You can only consent to something if you have the full story. For example, if someone says they'll use a condom but they don't, that is not informed consent.

ENTHUSIASTIC- When it comes to sex, you should only do things you WANT to do, not things you feel you are expected to do.

SPECIFIC- Saying yes to one thing, like going to the bedroom, doesn't mean you've said yes to others, like having sex.

Scene Basics

The “anatomy” of a scene almost always includes:

Setup / Play / Aftercare

Members are welcome to watch a scene progress as long as they are not intruding on it or standing over them. Make sure to give space.

If a scene is in progress inside the Blue Room and the curtain is closed that means the individuals would like privacy. Anyone other than staff opening the curtain at the end of the hour is strictly prohibited.

Do not interrupt or stop or join someone else's scene at any point during its “anatomy”. If you believe it is a matter of safety or something is wrong or intrusive speak to a DM immediately.

Dungeon Etiquette

Do's

- Ask questions when appropriate
